

**Media List**

Please read before using.

This spreadsheet contains an assortment of people you could contact regarding coverage for your show.

WE DO NOT GUARANTEE THIS IS ACCURATE OR EXHAUSTIVE SO ALWAYS CHECK BEFORE SENDING AS ROLES IN THE MEDIA CHANGE QUITE A LOT YEAR TO YEAR.

Why is this spreadsheet provided as a pdf and not a spreadsheet? To encourage you to find the specific contacts that are appropriate and email a selection or just an individual instead of emailing everyone which makes it harder for everybody else.

You are far better off approaching key media contacts with a story that is specific to them.

Please do not do a bulk or group email as it will affect your chances of success and everyone else doing anywhere.
